New Generation Publishing, United States, 2003. Paperback. Book Condition: New. 194 x 120 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This contemporary poet possesses the canny knack of writing works that are, at once, both life-affirming, and darkly foreboding. Life Without a Theme intersperses the modern and mundane with the mystical and otherworldly - myth and legend combine with nature and technology to produce poems that are provocative and moving in their austerity and vigour. The author is unique, with a talent for combining the best of classical poetry with the problems facing the modern world and its inhabitants. Above all, in this collection, he captures and instils that sense of isolation that dogs us all in our search for fulfilment.
