## ECOLOGY AND SOCIALISM: CAPITALISM AND THE ENVIRONMENT

[DOWNLOAD](#)

Haymarket Books, United States, 2010. Paperback. Book Condition: New. 175 x 127 mm. Language: English . Brand New Book. Around the world, consciousness of the threat to our environment is growing. The majority of solutions on offer, from using efficient light bulbs to biking to work, focus on individual lifestyle changes, yet the scale of the crisis requires far deeper adjustments. Ecology and Socialism argues that time still remains to save humanity and the planet, but only by building social movements for environmental justice that can demand qualitative changes in our economy, workplaces, and infrastructure. Williams adds a new and vigorous voice to the growing awareness that, yes, it is our capitalist system that is ruining the natural foundation of our civilization and threatening the very idea of a future. I am particularly impressed by the way he develops a clear and powerful argument for an ecological socialism directly from the actual ground of struggle, whether against climate change, systematic poisoning from pollution, or the choking stream of garbage. Ecology and Socialism is a notable addition to the growing movement to save our planet from death-dealing capitalism. -- Joel Kovel, author of *The Enemy of Nature Finally*, a book that bridges the best of the scholarly and activist literatures in socialist ecology! Sophisticated and compelling, eschewing academic jargons postmodern and otherwise, Ecology and Socialism more than competently champions a Marxist approach to environmental crisis and the kind of economic democracy needed to achieve an ecologically friendly system of production and human development. --Paul Burkett, author of *Marxism and Ecological Economics* This book is more than essential reading--it is a powerful weapon in the fight to save our planet. --Ian Angus, editor of *climateandcapitalism.com* Chris Williams is a longtime environmental activist, professor of physics and chemistry at Pace University, and chair of the...
