Brand New Book ***** Print on Demand *****.Throughout its history, the Army Nurse Corps has evolved as a world-class center of excellence for military nursing and a bench mark for caring for the entire nursing community. Army nurses have remained at the forefront of change, providing leadership in integrating nursing research and nursing education into clinical practice. Today, we continue the legacy of a proud heritage by maintaining the highest standards of professionalism in nursing and in military service. Our professional evolution reflects not only the changing requirements of a progressive Army, but also our expanding roles in supporting the health care needs of our nation.
