Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.About the book To Be Or Not To Be In this the tenth book of the Make My Day series, we find another aspect of the author s multi-sided personality. An engineer and economist with a talent for mathematics, a poet and essayist with a talent for the communications arts, a businessman with the talent for making money - a Renaissance Man with the two sides of his brain equally developed and an IQ of 170 - he is also a lover of books, music and performance arts. He completes the volume with brilliant and incisive essays on Philippine History for those who flunked the course; on Rats, man s rival for...
