The only thing he has in common with his best friend since seventh grade, Brad Dayton, is that both are in band. Or maybe that s not the only thing? As Jack and Brad make their way through junior high and high school, their friendship grows deeper and more complicated. From stealing furtive glances at Playgirl to discussing which guys they would find cute (if they were girls), Jack is trying to figure out who and what he is. More than anything, he wants to be popular and normal. But as Brad points out, this is real life -- not a John Hughes movie. Sooner or later, Jack will have to choose. And when he does, the decision he makes could cost him. 2M, 1 unit-set, Run time: 1h. 45 min.
