

The Quest for Alpha: The Holy Grail of Investing

Filesize: 4.51 MB

Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

John Wiley and Sons Ltd. Hardback. Book Condition: new. BRAND NEW, The Quest for Alpha: The Holy Grail of Investing, Larry E. Swedroe, The final word on passive vs. active investing The debate on active investing-stock picking and market timing-versus passive investing-markets are highly efficient and almost impossible to outperform-has raged for decades. Which side is right? In The Quest for Alpha: The Holy Grail of Investing, author Larry E. Swedroe puts an end to the debate, proving once and for all that active investing is likely to prove futile as the associated expenses-costs, fees, and time spent analyzing individual stocks and the overall market-are likely to exceed any benefits gained. The book * Presents research, data, and quotations that reveal it's extremely difficult to outperform the market * Explains why investors should focus on asset allocation, fund construction, costs, tax efficiency, and the building of a globally diversified portfolio that minimizes, if not eliminates, the taking of idiosyncratic, uncompensated risks * Other titles by Swedroe: The Only Guide to Alternative Investments You'll Ever Need and The Only Guide You'll Ever Need for the Right Financial Plan Investors are on a never-ending search for a money manager who will deliver returns above the appropriate risk-adjusted benchmark, aka the "Holy Grail of Investing." The Quest for Alpha demonstrates that it's a loser's game-while it's possible to win, it's so unlikely that you shouldn't try.
