Lucis Press Ltd. Paperback. Book Condition: new. BRAND NEW, From Intellect to Intuition (New edition), Alice A. Bailey, *The books of Alice A. Bailey, written in cooperation with a Tibetan teacher between 1919-1949, constitute a continuation of the Ageless Wisdom--a body of esoteric teaching handed down from ancient times in a form which is always suitable to each period. Intended to precede and condition the coming era, the Alice A. Bailey writings offer an unparalleled spiritual approach to such subjects as the teaching on Shamballa and the Path of spiritual evolution; the spiritual Hierarchy; the new discipleship and training in meditation as a form of service; the teaching on the seven rays and the new psychology of the soul; the teaching on esoteric astrology; and the new world religion, which emphasizes the common thread of truth linking all the major world faiths. *In this era of a rapid increase in human intelligence and capacity to use the mind we run the risk of over-emphasis on intellectualism. "The mind is the slayer of the real" is a well-known reflection of an inherent danger. In this book "From Intellect to Intuition" development of the intellect, while necessary, is shown as a means to an end and one step on the way to a fully awakened and active mental body. The intellect is the rationalising, analytical aspect of the mind, concerned with knowledge. It can be used as a stepping-stone to penetrate into new realms and dimensions of thought, and to touch and awaken the intuitive faculty of pure reason. Between the intellect and the intuition, however, a gap exists until it has been consciously bridged through meditation. Meditation is sometimes defined as "thinking in the heart"; correct meditation proceeds only when the heart and mind function together in unison. To touch the...
