However, after years of selflessly devoting his time, energy, and money into his progressively dysfunctional household, Tazman finally begins to confront the root of his internal conflicts. In doing this, others around him are forced to take responsibility for their own existence. Based in the fictitious town of Duval, Florida, this coming of age tale is profound in its own right. Filled with timeless wisdom and memorable characters, it delivers a message that Shakespeare himself was all too familiar with: To thine own self be true.
