Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 edition. Excerpt: . . . a private residence cannot be licensed for the sale of oleomargarine. Unless the applicant for a license has a business stand and is willing to enter the business in good faith as far as may be determined by the application, no license can be issued. In former years, certain private houses, stables, etc. , were designated as business places, while in reality, the licensees were solely engaged as peddlers, contrary to law. This practice has been stopped, and the legitimate dealer now reaps the benefit of an increased trade. NATIONAL OLEOMARGARINE ACT DEFECTIVE. The National Oleomargarine Act is defective in a number of important particulars, and the dairy interests of the State have combined in an effort to secure the much needed changes. Whether Congress will make the same during the present session is at least problematical. Pennsylvanias representatives understand the situation and will act as a unit in demanding and obtaining the relief asked for by the; butter interests. PUBLISHING DETAILED ANALYSES OF MILK. One of the features incident to the general examination of the milk supply of Pennsylvania, made during the past year, was the publicity that was given to the analytical reports. These were sent to the leading newspapers in the respective counties in which the samples of milk and cream had been purchased by the Special Agents. Their publication attracted wide-spread attention. Many commendatory letters were received from consumers who were thus enabled to obtain information as to the quality...
