Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Steer Your Course! explores the relationship between personality and professional outlook. It illustrates the importance of getting in touch with yourself at University in order to understand your outlook and how it influences the things that interest you in a career. It also suggests goals and further recommendations for each outlook. This book is intended to be thought-provoking and simple enough to understand and appreciate an overview of different personalities without the complications of psychological testing! It is encouraged that each individual use this discussion as an opportunity to develop self understanding and rather than be limited to any single model, combine the models and identify opportunities for improvement and personal success. Mamta Madhavan for Readers Favorite Thought provoking and useful and a good opportunity to understand your own personality Good flow and pace An opportunity for self discovery.
