These poems, most of them translated into English for the first time from the original Persian, were carefully selected from two thousand of Rumi s quatrains. Arranged thematically, they take us on a journey of the soul. Persian calligraphy enhances the beauty of the poems. Discover the depths of a mystic s soul. Fly with him on his beloved s wings. Fall with him into the despair and fear of losing his beloved forever. Discover the beauty and love contained in this wonderful little book of poetry.
