## JERKS IN WASHINGTON, D.C., HISTORY: SPEAKING ILL OF THE DEAD

Globe Pequot. 1 Paperback(s), 2011. soft. Book Condition: New. Here are 17 badly behaved characters who shaped history from within the nation's capital, as well as the dark side of some famous and even revered figures from America's past. Meet Aaron Burr, the second Vice President, who killed Alexander Hamilton in a duel; Thomas Jefferson, our esteemed third President, who was also a first-class hypocrite; and John Wilkes Booth, who overnight went from popular actor to hunted assassin. Here too are Congressman Preston Brooks, who in 1856 nearly caned Senator Charles Sumner to death on the Senate floor, and abolitionist Congressman William Breckinridge, whose distinguished career was ruined in 1893 after he failed to make good on his promise to marry his teenage mistress. History has not been kind to the rogues in this gallery, whether part-time jerks or jerks through and through. 222.
