## EVOLUTION OR CREATION?: A COMPARISON OF THE ARGUMENTS - SECOND EDITION

Xlibris Corporation. Paperback. Book Condition: New. Paperback. 392 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. Have you ever wondered how the universe originated or whether the universe always existed? Have you ever wondered how life began on earth? Have you ever heard others discuss origins but felt unable to contribute to the conversation? Would you like to defend your views but feel unequipped or inadequate to do so? Are you unsure about what to believe? Would you like to learn more about the subject of origins? If so, this book will be a help to you. The subject of evolution and creation often causes much contention and controversy. The question that may be asked is, Why is there so much tension and animosity between those who hold to opposing views regarding the subject of origins? Others may ask, What do those of opposing views base their beliefs upon? Is there any reconciling of the different views? The differences, I believe, in part are due to one's perceptions regarding science and theology. This book is not about Christians versus atheists. This book is more about creation versus evolution than about Creationism versus Evolutionism. This book is about comparing various views, opinions and evidence related to evolution and creation. Some of the information being presented may be new to you and may take some time to digest. Evolutionists generally view creation in the same way that creationists generally view evolution. Opposing views are rarely taken seriously, as they are a contradiction to one's own bias. Whatever your current views are regarding the origins of the universe and life or level of knowledge of origins, this book is about considering various sides of the issue of evolution. In this book we will be comparing the evidence and arguments and then weighing the pros and...
