AuthorHouse. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. The inspiration for this book comes from the 15th century philosopher, Francis Bacon. Even though it has been more than 30 years since Jerry Eppy read Bacons Essays, he can still quote from them. While he does not think that he can verbalize his own thoughts well enough to be remembered or quoted, he still hopes that his comments on some of the modern world situations and problems can inspire some changes for the better in the world. Jerry Eppys intended audience is anyone and everyone, but he hopes that his essays will become a required reading for some philosophy, sociology, civics, or law courses. He would like to see these topics debated academically with the hope that they may influence the thinking of the younger generation. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
