Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE AMERICAN, VOL. 1 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The American, Vol. 1 With this issue, The American makes its bow to the public. We believe the time has come to establish in this city, a paper, which, while fair in its treatment of all subjects, whatever they may be, whether social, literary or political, shall take no uncertain stand upon the questions of the day; in short that there is a field in the state and upon the coast for a genuine American paper, and we hope to make The American such a one. Socially, we believe that wrongs against society are not lighted by column after column of disgusting details; that the morals of a community are not benefited by the parade of scandals in print; that the punishment of the individual through the disgrace of reeking disclosures in the newspaper, disgraces the paper so publishing it about as much as the individual against whom it is published, and that, however profitable it may be to extort blackmail under promise of withholding damaging facts, or to increase street sales and circulation by obscene sensationalism, hat this is without the province of respectable journalism. In a literary way, we shall endeavor to have attractive articles each week, which though not rising to the dignity of the ponderous review, shall not descend to the trashy level of the story paper. Politically we believe that the rime is ripe for a change, that people have become weary of boss rule, of rings and combinations, of the stealing of the ins, and the frantic efforts of the outs to get into power that they may also have a share in the plunder before it shall have...
