Summary: Luke Timothy Johnson and William Kurz are Roman Catholic New Testament scholars who think that the apparent good health of biblical scholarship in America is deceptive. Despite its huge production of learning, Catholic scholarship has lost some of its soul because of its distance from the life and concerns of living faith communities. In this volume the authors open a conversation with others in the church concerning a future Catholic biblical scholarship that maintains the freedom of critical inquiry but within a living loyalty to tradition. Looking not to criticize but to strengthen, the authors model the type of dialogue that is needed today. Johnson first reviews the current state of Catholic biblical scholarship and then points out important lessons from throughout the tradition of interpretation. He calls for imagining the world that Scripture imagines as the presupposition for the organic use of the Bible in theology. Kurz responds to Johnson's chapters and then offers his own approach to biblical interpretation, showing how literary analysis of the Gospel of John can be brought into conversation with the Nicene Creed, with...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
