Cool Springs Press, United States, 2014. Spiral bound. Book Condition: New. Gift. 297 x 239 mm. Language: English . Brand New Book. Plant your ideas, then your veggies. If you've ever grown your own vegetables or herbs, you know that planting and eating in season is the key to great-tasting produce. With erratic weather patterns, occasional human error, and ever-changing gardening techniques, it can be difficult to keep everything straight. That's why we created the Vegetable Gardener's Journal and Magnet Gift Set, an undated week-by-week planner from renowned garden writer Charlie Nardozzi intended to combine the visual beauty of vintage seed packets with a level of practicality unmatched by any portable notebook before it. We started by using pages made of sturdy, high-quality paper stock perfect for taking and preserving your notes, and we even included ruled graph pages so you can sketch out your garden plots before planting them. Page margins are intricately decorated with the gorgeous gardening imagery of vintage seed package art, complemented by the included set of magnets that make this book the perfect gift for any veggie lover. An introductory primer on vegetable gardening helps you prepare for the year, a plant inventory/history section ensures you won't forget current and past favorites, and helpful gardening tips sprinkled throughout this book will give you the advice needed to achieve a successful harvest. Complete with a high-quality wire binding, the Vegetable Gardener's Journal and Magnet Gift Set just might become the most important tool in your shed. If you also love planting flowers, make sure to check out our Flower Gardener's Journal and Magnet Gift Set.
