Rosen Classroom, United States, 2013. Paperback. Book Condition: New. 198 x 196 mm. Language: English . Brand New Book. Working with measurements and data is an essential skill for all math students. Readers are introduced to concepts like describing and comparing measurable attributes and sorting objects into categories. Each skill is explained with the help of accessible text and bright images. Readers practice classification and sorting techniques through a narrative about lunch foods eaten by a variety of children. This book, which is written to reflect the Common Core State Standards for Mathematics, directly addresses standard K.MD.B.3.
