Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.IF YOU KISS A FROG, HE JUST MIGHT TURN INTO A PRINCE. IF YOU KISS A TOAD, HE LL JUST PEE ON YOUR HAND. This is the book emotionally abusive partners do NOT want you to read. It sounds so simple -- get out of a harsh relationship, remove the shrapnel, and move on. But some guys don't make that possible. Sometimes you get out of the relationship, like with a narcissist, but you can't recover because he doesn't give you a chance. He won't leave you alone long enough. Alexandra Nouri knows that personality-disordered people, psychopaths, sociopaths, and their ilk, in fact make leaving as difficult as possible. Getting out of a relationship with a narcissist is excruciating, but staying out of one takes the resolve of an Army. A narcissist is constantly pushing and pulling, devaluing you and everything about you, sucking you back in and making you believe the two of you have a chance, and basically pushing some very tender buttons, all in a big fat confusing and chaotic mess. When a relationship is ending, feeling hurt and angry is normal, but if you feel like you're losing your mind, like your very survival is being threatened, then this book is written with you in mind. Those feelings mean he's messing with your head. And that's not cool. Life, Aunt Alex says, is uncertain, and mysterious. However, when it comes to life, you can count on three things. The sun will always rise in the East. If you hold up a cast iron frying pan and then let it go, it will not hover in the air...
